Document: EBSA-2010-0050-DRAFT-1845

Comment on FR Doc # 2015-14921

Submitter Information

Name: Gerald Webber

General Comment

It is time the government gets back to what it was set up to do and stop overstepping its constitutional boundaries. Constitutionally speaking the government is to protect our rights and our borders not tell us how to live our lives and how to spend our money. This is not the job of the government and this is a republic not a communist nation that the government should even consider such offensive measures as this. The government is not our god and should not act like it.
